**TRAFFIC CASE MANAGEMENT CONVERSION
AND TEMPORARY ONLINE PAYMENT UNAVAILABILITY**

As part of its ongoing efforts to improve system performance, reliability, and overall user experience, the Court will be upgrading its Traffic case management system to Tyler's Enterprise Justice. This upgrade will require temporary disruption to the traffic case management system generally and to online payments specifically.

Temporary Two-Week Suspension of Online Payments

The Court will temporarily suspend online traffic payment services from **June 30, 2026, at 3:00 P.M. through July 13, 2026, at 7:00 A.M.** During this time, members of the public may pay in person. Alternatively, they may request a two-week extension by calling (925) 608-1000 and following the prompts for Traffic.

Unavailability of Traffic Case Management System

To finalize the upgrade, the Court's Traffic case management systems will be unavailable and inaccessible from **Friday, July 10, 2026, at 12:00 P.M. through Monday, July 13, 2026, at 7:00 A.M.** Effective July 13, 2026, Enterprise Justice will become the Court's official Traffic case management system.

The Court thanks the public for its patience and understanding in these continued efforts to enhance online services for Court users.
