Dear Foreperson Nakano:

I write in response to your letter dated December 12, 2019 regarding Recommendation #4 to Report #1907. Please find an updated response to Recommendation #4 below:

Recommendation:

4. The Board of Supervisors and all City/Town Councils should consider identifying additional revenue sources to fully fund Permit requirements in order to comply with the Permit and avoid potential liability, by June 30, 2020.

City of Richmond Response to Recommendation 4:

4. The recommendation will not be implemented because it is not warranted. The City of Richmond is currently in compliance with the Permit. Nevertheless, the City will consider identifying additional revenue sources to fund the Stormwater Program as Permit requirements include unfunded mandates.

Kind regards,
